Guitar Lessons with Scott Lee

Effective January 5, 2009

PLAN A:

Plan A is designed for the student who wants a permanent time slot every week at a discounted lesson rate. When you choose Plan A, you opt to pay a flat rate fee every month at the first lesson of the month, regardless of the number of weeks in that month.

There are no credits given for missed lessons on Plan A because the price is already discounted. However, one make-up lesson will be allowed per month. Make-up lessons are scheduled by special arrangement with Scott Lee. No-shows are not eligible for make-up lessons.

PLAN B:

Plan B is a flexible plan for students whose schedules won't allow a regular weekly commitment. Lessons under Plan B are charged a fixed rate per session. When you choose Plan B, you tell us at the beginning of the month how many lessons you will attend that month. This option works well for summer time, during sports seasons that only affect a portion of the school year, or for adults who travel frequently.

Since you decide which lessons you will be paying for during the month, neither credits nor make-ups will be offered for missed lessons on Plan B.

PLAN A PRICE SCHEDULE:

Weekly 30-Minute Private Lessons	\$ 75.00 per month
Weekly 45-Minute Private Lessons	\$112.50 per month
Weekly 60-Minute Private Lessons	\$150.00 per month

PLAN B PRICE SCHEDULE:

30-Minute Private Lessons	\$25.00 per lesson
45-Minute Private Lessons	\$37.50 per lesson
60-Minute Private Lessons	\$50.00 per lesson
